## **A Good Catholic Joke**

The Pope and Trump are on the same stage in Yankee Stadium in front of a huge crowd. The Pope leans towards Trump and said, "Do you know that with one little wave of my hand I can make every person in this crowd go wild with joy? This joy will not be a momentary display, but will go deep into their hearts and they'll forever speak of this day and rejoice!" Trump replied, "I seriously doubt that! With one little wave of your hand... show me!" So the Pope backhanded him and knocked him off the stage! AND THE CROWD ROARED & CHEERED WILDLY and there was happiness throughout the land!
