

Interview your parents and/or grandparents (using technology) to find out what Blackhall was like when they were young. What is the same? What is different now? Write some interesting facts that you have

When you go for your daily exercise, look closely at the different buildings you can see in Blackhall such as churches, different types of houses, schools and shops. Can you tell which buildings are the oldest and which were built more recently?

Science – Bug Hunt – Find a habitat (hedgerow, grass, stones, trees, flower beds) and search for some bugs. How many can you find? Can you identify them? Make sure you don't disturb the bugs or their habitat. Don't forget to wash your hands after exploring. Create a drawing or model of a bug you have found.

Blackhall's colliery closed in 1981 but the Blackhall pit wheel can be seen in the village. What can you find out about the mining history of the village from your family? Draw or make a model of the pit wheel.

Look at the photo of St Joseph's being built way back in 1955. What do you notice? What has changed? Draw a picture of how our school looks now. Write about how our school building has changed.

### Class 2 Home Learning 01.06.20

**Step Back in Time is our theme this week.  
We will be learning about our local community and its history.**

### Spelling and Grammar

How could you make Blackhall an even better place to live? Think about what you would like to make better about the village and how. Write a short letter to the council with your ideas.

Use Google Maps to complete the Where is My School? Activity sheet.

Many years ago, people had coats of arms, which explained more about themselves. Design your own coat of arms for the village of Blackhall using the template.

### Phonics and Reading

**Please remember to keep reading every single day. Log on to Bug Club to access your allocated books**
