

### People & Communities

Last week we looked at people who help us in the community – what could you do to help them? To show that you also value our local area?

### English, PSED,

Think about the two stories – draw a picture of the character you think shows the most kindness. Is it the Rainbow Fish or the Smartest Giant?

I've set a 2Do on if you want to do this activity online as well as in your book. I'd also like you to write a sentence to tell me why you chose this character.

### PSED, Technology, Literacy

Please complete the 2Do 'What makes a good friend?'

What is the main message of this song?

Can you make a video so it's you singing along to it? Get your family to join in 😊

**Helping Others** is our theme again for this week. This week I want you to really focus on what you can do to help others.

### R.E

Please see separate planning sheet and Parent's Background Notes for more details.

### Books to share:

Junk modelling time!!!

Can you create a Rainbow Fish using materials for the recycling bin? How will you create his beautiful, colourful scales?

Or perhaps you want to build the Smartest Giant – Think about how tall he is - How will you build him to be this tall?

I am really looking forward to seeing how creative you get with this activity! If you can, take photos to show how you are getting on at different stages then ask your grown up to help you put it as a PicCollage to email to me when you have finished.

Keep adding to your Kindness Calendar. What could else could you do?

How did it make you feel being kind?

How did it make others feel?
