

## Religious Education

Class 2

Teacher: Miss Macdonald

Week Beginning: 29th June 2020

Talk about what you treasure and why. Explain what 'treasure' means to you. Share your own 'treasure chest' (e.g. photo of special people, special gift/ornament/jewellery). Walk around your house making lists of treasures around us (e.g. flowers, plants, tap for water). Discuss the things we treasure and why, and how we look after the things that are important to us. Talk about the treasures we share, the treasures of the earth – water, sun, land, trees, nature.

Make a treasure box using either the chest template provided below or a decorated shoe box. Put in pictures of animals, places and people (from magazines, internet or draw your own) that represent the treasures of the world. Add any treasures you have collected from nature – shells, pebbles, flower, feather. Think about why each one is a treasure.
