

Choose a word associated with nature and write an acrostic poem to express things that you think about linked to that word.

Take a look at this [Acrostic Poem Example](#)

Go for a walk and gather a selection of natural objects. Use these objects to create a self portrait. Take a look at some of these [examples](#) to help inspire you. You could make it really large scale if you collected lots of objects. Be as creative as possible with your objects and remember to take a photograph once it is finished!

Nature is full of beauty. Photographers capture our amazing planet through a lens. Look at the work of Jon Cornforth and Jess Findlay for some inspiration. Capture some images of local wildlife and landscapes to show off the beauty of our area.

Georgia O'Keeffe was an American artist. She is well known for her paintings of enlarged flowers.

Take a look at some [examples](#) of her work here.

Use these paintings as inspiration to create an up close, enlarged piece of art based on a flower of your choice.

Express Yourself Home Learning

Week Beginning: 15/06/20

This fortnight we will focus on famous artists who have been inspired by nature and different ways of expressing yourself!

Listen to your favourite piece of music or song.

Come up with a dance routine based on this music/song to express yourself.

Choose your level of challenge and read the Georgia O'Keeffe reading comprehension . Then, answer the questions in your exercise book.

Paul Cézanne was a French artist. He is known for his paintings of still life scenes. Take a look at some examples of his work here.

Create a still life using a mixture of objects from your home and objects you have gathered from nature. You could paint, draw or create digital artwork of your still life.

Complete the 2do in Purple Mash, gather some information and research about Claude Monet. Write about the famous artist and use the prompts to help you and think about the information you could include.
