

Religious Education

Year: 5/6

Teacher: Mr Fannan

Week Beginning: 15th June 2020

Our RE topic for this half term focuses on The Sacrament of Reconciliation. A sacrament is something that uses signs – usually a combination of words and actions, that have a message for those who are celebrating it; they give them a gift. This gift (which Catholics call grace) is given by Jesus whom they meet in the Sacrament, to strengthen their relationship with him. Through the Sacraments God helps Catholics grow in friendship with him. For Catholics the Sacrament of Reconciliation is a source of joy and comfort. In the Sacrament they experience time and time again the extraordinary love of God.

This week we will be thinking about the rules we live by, rules that give us freedom and responsibility. We will explore the Ten Commandments, the Greatest Commandment and the Beatitudes.

Talk about what you think freedom means and what responsibility means and would it mean the same for everyone and why? Read [After School](#).

What are our usual rules – at home, in school - that illustrate freedom and responsibility. Think about how our freedoms and responsibilities have changed during lockdown and why.

Task

Design a poster showing what our responsibilities are during this time and how our actions will give the NHS the freedom to work effectively.
