

Class 3 Maths Planning Week Beginning 06.07.2020

Weekly focus: Division

Day	<b>Activity</b>
Monday	<p><i>Timestable Rockstarz 10mins</i>  <b>Task 1: Mental Maths</b>            Complete the 2Do set on Purple Mash called Dividers. There are 3 levels to choose from. What is the highest score you can achieve?</p>
Tuesday	<p><i>Timestable Rockstarz 10mins</i>  <b>Task 2: Fluency</b>            Year 3: Recap your 3 times table, watch this <a href="#">video</a> then complete this <a href="#">sheet</a>.            Year 4: Watch this <a href="#">video</a> on dividing a number by 1 and itself, then complete the <a href="#">sheet</a>.</p>
Wednesday	<p><i>Timestable Rockstarz 10mins</i>  <b>Task 3: Fluency</b>            Year 3: Recap the 4 times table, Use the methods from yesterday's video to help complete the <a href="#">sheet</a>, diving by 4.            Year 4: <a href="https://www.topmarks.co.uk/Flash.aspx?f=countdowntimerv3">https://www.topmarks.co.uk/Flash.aspx?f=countdowntimerv3</a>            Apply your knowledge of the four operations to this Countdown style game; we had played this in school. Challenge an adult in your house to play.</p>
Thursday	<p><i>Timestable Rockstarz 10mins</i>  <b>Task 4: Reasoning and Problem Solving</b>            Year 3: Look at these <a href="#">cards</a>. Can you sort them so that they follow round in a loop? Then look at the questions <a href="#">here</a>.            Year 4: <b>True or False</b>, If I divide any whole number by an even number, the answer will be even. Explain your answer.</p>
Friday	<p><i>Timestable Rockstarz 10mins</i>  <b>Task 5: Weekly Quiz</b>  <b>Times Table Rock Stars</b>            Take part in a Year group Studio session. Each session lasts 10 minutes. Can you upgrade your rock star status? Can you beat your high score?            Who will be the champion?</p>
