

UNIVERSAL CHURCH – WORLD

As we bring our very different school year to a close, I want us to take some time to think about how special we are. Read this letter from St Paul where he talks about how we are God's people.

A reading from St. Paul's letter to the Colossians 3:10-11 (adapted)

You are created by God to be like God. You are God's people, his saints. He loves you. You are all different. You come from different places; speak in different ways; have different customs. But the important thing is that you are all God's children. So love one another, help one another, be at peace with one another. And let the love of Jesus fill your hearts and your minds.

The Word of the Lord.

Thanks be to God.

Think about the things that make you unique, then log onto Purple Mash and add them to the animation I have created. I have set as a 2Do. At the end of the week look at the website for what makes Class 3 unique.
