

## Religious Education

Class 2

Teacher: Miss Macdonald

Week Beginning: 13<sup>th</sup> July 2020

Read verses from Psalm 147 (below). Share with the children the response to the Psalm:  
How loving, how powerful, how wise God is! Let's sing praise, sing praise, sing praise!

If you are able to access the website ([www.cafod.org.uk/comeandsee](http://www.cafod.org.uk/comeandsee)) show 'Praise for God's world' PowerPoint or share the content below. Talk about treasures of God's world that the children can see from their window.

Write your own prayer about taking care of God's world. Think about what you could do on each day of the week:

*On Monday, Lord help me to... On Tuesday, Lord help me to... On Wednesday...*

## Psalm 147

Let's sing a psalm to our God. It is good to give joyful praise.

Do you know how many stars are in the sky? God does.

God made them all and gave each one a name.

**How loving, how powerful, how wise God is! Let's sing praise, sing praise, sing praise!**

God hides the bright blue sky behind the clouds, lets the rain fall upon the earth.

God makes the grass grow on the hills and in the fields, gives plants for us to eat.

God feeds the animals and the birds too, when they are hungry.

God cares for and looks after all that lives.

**How loving, how powerful, how wise God is! Let's sing praise, sing praise, sing praise!**

God sends snow soft as wool, sprinkles frost white like powder.

God spreads the ice on the water, makes the world so beautiful, so cold.

Then God sends warm air and the wind begins to blow.

The snow, frost and ice melt, the streams and rivers flow.

**How loving, how powerful, how wise God is! Let's sing praise, sing praise, sing praise!**

(based on Psalm 147)

The following text is contained in the **Show praise for God's world** PowerPoint:

*God made the earth and sky. God made all the people all over the world. God made spiders and dogs and butterflies and tigers and pandas and all other animals. God made the tulips, the trees, the tomatoes and all the plants. And, God tells us we must take good care of them. It is an important job.*
