

Use the vocabulary **up**, **down**, **left**, **right** to complete the stem sentences.

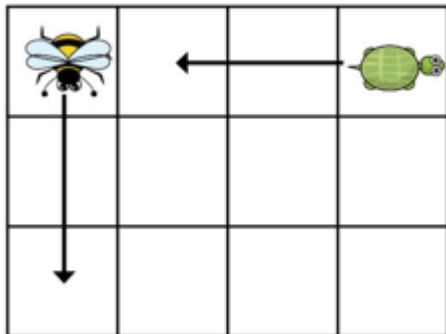

The star is moving \_\_\_\_ squares \_\_\_\_

The circle is moving \_\_\_\_ squares \_\_\_\_

The triangle is moving \_\_\_\_ squares \_\_\_\_

When it is obvious which way a person/object is facing we can use the vocabulary 'forwards' and 'backwards' to describe their movement.

Use the vocabulary **forwards**, **backwards** to complete the stem sentences.

The bee is moving \_\_\_\_ squares \_\_\_\_

The tortoise is moving \_\_\_\_ squares \_\_\_\_

Using the vocabulary forwards, backwards, left, right direct someone in your family around the house or garden. They have to listen carefully to your directions. Take it in turns so that you have a go at following the directions too!
