

Religious Education

Year: 5/6

Teacher: Mr Fannan

Week Beginning: 6th July 2020

Our RE topic for the rest of this half term is Stewardship and The Universal Church.

Christians believe that every human being is created in the image of God and has the special gift and challenge of sharing in God's creation. We ourselves are part of creation, and are dependent upon it: we are made aware that caring for creation is part of caring for ourselves. We learn about Stewardship, that we as the Church are called to be stewards of creation.

We will think about:

- Caring for the earth
- The Church is called to stewardship of Creation

First of all, write down:

1. A person/people on earth they care about.
2. A place on earth they care about.
3. Something on the earth they care about.

Think about the difference between natural and man- made places on earth.

Think of an object they really care about. How do you look after it?

We all care for things in this world. When we care for something, we have some responsibility for it, and we are **stewards** of it. Look up the word 'steward' what does it mean. There are stewards at football matches, concerts or even at church. When we *look after something*, this is called **stewardship**. Often, the word stewardship is used to refer to a responsibility to take care of something that is owned by someone else.

Task

Go outside (or if that's not possible look out of the window), be still and take notice of the world you can see. Focus on any things of nature – sky, clouds, birds, trees. Write a poem or draw a picture to represent what they care for on the earth.
