

Double Trouble!

Can you double these numbers and complete the table below? The first one has been done for you! Remember it is just like $\times 2$!

Number	Double	Double	Double
3	6	12	24
2			
5			
6			
10			
4			
11			
100			
7			
9			
12			
20			

Well done! Have you got them all right?
Use a calculator to check.

($\times 2$ means doubling)
