- Tell someone in your house about Diwali.

## Maths

This week are continuing our work of numbers to 3.

We will be digging deeper into the concept that 3 can be made up of smaller numbers.

Read or listen to the story of the [Three Billy Goats Gruff](#).

Talk about the movement of the goats. For example 1 goat has gone across the bridge there are 2 left.

## Personal, Social and Emotional

This week is Anti-Bullying Week, the theme is: United Against Bullying.

In school we will be thinking about how we can be a good friend. We might say hello to someone, help them if they are hurt or play with them on the yard. Think about ways you can be a good friend at home, see if your family can spot you doing those things.
