

RE

Look at the picture and the story of Matthew's Baptism.

Re-enact the baptism with resources/people you have at home.

Phonics

Our sounds this week are l, ll and ss.

We are also recapping all Phase 2 sounds.

There are allocated activities and games on Bug Club.

Read for 10 minutes every day either a book at home or a book from Bug Club.

Literacy

Practise writing your first name and surname. Look at the formation sheet on the website.

The writing activity sheet shows photographs linked to Remembrance Day.

Children to write a sentence for each picture.

Maths

To recognise number bonds to 3

Use different resources to show the different ways to make 3.

For example:

3 and 0

2 and 1

1 and 2.

Practise counting forwards and backwards to 3.

Complete the comparing poppies worksheet.

Celebrations- Remembrance Day Week beginning 09/11/2020

Expressive Art and Design

At this time of year we will see lots of poppies on TV, on coats or on the news.

There are many different ways we can make a poppy using:

- Paint
- Pencils
- Collage materials
- Lego
- On a computer

Make your own poppy. You could even display it in your window.

Understanding the World

We are beginning to learn how to program computers to carry out a specific task.

On Purple Mash there is a 2Do called 2Go.

Can you move the bee around the garden to get to the different flowers?
