

**Science** – Light and Dark Powerpoint  
Watch the Lesson 1 powerpoint and then ask your grown up to set up your investigation.

You need:

A blindfold

5 carrier bags, bin bags or even pillow cases

5 mystery objects (1 inside each bag/pillow case) which your grown up MUST keep secret from you.

You have to wear the blindfold and try and work out what the object is without looking at it. Use the worksheet to record your predictions.

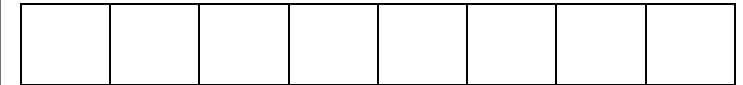

**Light and Dark** is our theme for this week as it is the Science topic for this half term.

**Art** – Light and shade: Tonal Shading

Go through the Art Lesson 1 Presentation

Using an ordinary HB pencil how many different shades can you make?

Lightest

Darkest

Draw out a Tonal Shade Grid like this – but bigger. How many boxes can you add? Make sure that there are definite changes in the tones.

Challenge other family members to try it, who can make the most tones?

**Science/English** Cloze Activity –

Complete the passage about Light and Dark by filling in the missing words.

R.E

Please see separate planning sheet, resources and Parent's Background Notes for more details on this topic.

PE

Joe Wicks has again started his P.E. with Joe workouts. This time he is doing them three times a week – Mon, Wed and Fridays. Follow this link to watch and join in.

<https://youtu.be/tSi2ix1i180>

Also try this – you could do this with your other family members <https://youtu.be/lfra8pSPEhE>

**Reading Plus daily!**

I've put the font big to emphasise how important this is! If nothing else, please encourage them to access their lessons each day. The children all have been given their logins to this amazing site!

Computing – eSafety

I have shared a PowerPoint with your task as an Assignment on Teams. There is also an eSafety word search for you to complete. Open it up on Teams lets you mark the words on screen without needing to print it off.

Don't forget to complete the 2Dos I have set on purple mash!

As ever, please email photos of the children working on the above or of them developing other important skills to me at [g.hanley200@stjosephsblackhall.net](mailto:g.hanley200@stjosephsblackhall.net).
