

Class 3 Maths Planning Week beginning 18.01.2021

Day	Focus: Multiplication & Division -
Monday	Times Table Rock Stars for 10 mins Task: To divide 100 into equal parts Watch <a href="https://vimeo.com/489848691">https://vimeo.com/489848691</a> Complete today's activity
Tuesday Fluency	TTRS for 10 mins  Task: To begin to divide with remainders Watch <a href="https://vimeo.com/492449125">https://vimeo.com/492449125</a>  Play a remainder game – you will need 2 dice, 50 counters (coins, raisins, etc) Roll the dice and divide the objects into the number you've thrown. Record each throw in your book as a calculation, for example $50 \div 5 = 10$ or $50 \div 6 = 8 \text{ r } 2$ Once you have thrown all numbers (2-12) you could add more objects – how high dare you go? 60? 75? 100?
Wednesday Fluency	TTRS for 10 mins  Tasks: Divide 2-digits by one Watch <a href="https://vimeo.com/494126561">https://vimeo.com/494126561</a>  Complete activity sheets Extension: Play the Remainders game (see Resources)
Thursday Reasoning & Problem Solving	TTRS for 10 mins  Task: Recap remainder concept by watching <a href="https://youtu.be/xOrSMLo8A_8?list=PL_velGcSU3qxjFRItVbOBqfgNRTT0T3h0">https://youtu.be/xOrSMLo8A_8?list=PL_velGcSU3qxjFRItVbOBqfgNRTT0T3h0</a>  Then complete today's Word Problems activity – there are two levels to choose from.
Friday Quiz	TTRS 10 mins  Play <a href="https://www.bbc.co.uk/bitesize/articles/zgdstrd">https://www.bbc.co.uk/bitesize/articles/zgdstrd</a>
