

Class 3 Microsoft Teams Timetable Week beginning 18.01.2021

Day		
Monday	Take some time to simply practise logging on to Microsoft Teams using your log in details provided. Explore the Content Library – this is where you will always find the current week's resources.	I will be available to feedback, answer questions and offer support between 1.30-2.30pm
Tuesday	Today I want you to explore the 'Assignments' section on Microsoft Teams. I have set you an eSafety themed task. So, watch the PowerPoint and complete the task.	I will be available to feedback, answer questions and offer support between 1.30-2.30pm
Wednesday	Today I have set a SPaG Challenge. The Powerpoint explains your task, you will find this in your Assignments. The Resource to go with this is also there otherwise you will find that in the Content Library with the rest of this week's resources.	I will be available to feedback, answer questions and offer support between 1.30-2.30pm
Thursday	Today's Maths Powerpoint is your assignment – I want you to log on to Teams, find this in Assignments and complete the Mental Maths section of the PowerPoint! Easy! 😊 However, then you do need to complete your activity for today too!	I will be available to feedback, answer questions and offer support between 1.30-2.30pm
Friday	Today in Assignments you will find a Spelling Quiz with I would like you to complete. It's multiple choice using Microsoft Forms – so I want you to practise using this feature of Teams for future Assignments. Good Luck!	I will be available to feedback, answer questions and offer support between 1.30-2.30pm

Please note that questions may be asked via Teams at anytime but as we are also working with some children who are accessing key worker/ vulnerable provision in school, we may not be able to get back to you immediately. We will do our best to get back to you a.s.a.p. Thank you for your patience and understanding.

Stay Safe and keep doing what you're doing! 😊
