

## Writing Task

Read the poem 'The Magic Box by Kit Wright.

Or hear it being read to you here:

### Y1

Can you draw a picture of your magic inventor's box? What would you put into it? Can you draw and label all of the ingredients for your magic invention?

Next have a go at writing your own poem in the same style as The Magic Box. Start with I will put into the box...

### Y2

Can you make a list of magical ingredients that you would put into an inventor's box? What would you want the box to make with all of the ingredients that you have chosen? Next have a go at writing your own poem in the same style as The Magic Box. Start with I will put into the box...

## Extra:

Not all poems have to rhyme but rhyming is fun! Have a go at this rhyming game on the link.

## Reading

One of my favourite things to do is to read poetry. Have a look at some of the poems on the link below. Try to read your favourite two poems out loud to someone in your house. You could try to record yourself reading them and watch your performance back.
