

St Joseph's RC Primary School

Valuing respect, friendship, excellence and care in all we do and say.

Phonics	Maths
Stop! Listen! What can you hear? Do this in different parts of your house, what different sounds can you hear?	Counting Practise counting during daily routines. You can count how many things are on your dinner plate, how many windows are in your house or
<u>Welcome to the Zoo</u> Play the game can you guess which animal is in the crate?	Number Hunt Go on a number hunt around the house. What numbers can you see? Where did you find them?
Initial Sounds Log onto Purple Mash and search Alphabet Slideshows Find the letter of your first name and have a look at the slideshow. Can you think of anything else that starts with the same sound?	Rhymes Sing some counting number rhymes, some examples can be found here
I like... Talk about the sounds you like. It might be birds singing, a siren or a song. Find out what sounds other people in your house like.	Colour by Number Use the key to help you colour the picture.
