Dear Parents/Carers,

As you have been made aware, we have decided to adopt Life to the Full by Ten Ten Resources to deliver relationships education within our school. Ten Ten is an award-winning Catholic educational organisation that is well-respected and very experienced in this field of work. Life to the Full has been approved by our diocese. Furthermore, Ten Ten have entered into partnership with the Catholic Education Service and the Department for Education to provide training for teachers in Catholic Schools on the subject of the statutory curriculum. Therefore, we are confident that this programme is a very good fit for our school.

More information about the curriculum can be found at:

If you would like to review our updated policy, please follow:

Through their programme, Ten Ten understands the foundational role that parents have in educating their child. Within the programme, they have built in resources which will not only keep you informed about what is being taught in school, but it will also give you the opportunity to engage your children in discussion, activity and prayer.

Ten Ten have provided an online Parent Consultation Tool which:

- Outlines the statutory changes that have taken place.
- Articulates a vision for Catholic Relationships and Health Education.
- Explains how Life to the Full aims to help us fulfil the statutory curriculum with a Catholic ethos.
- Provides some information about key decisions we need to make, in consultation with parents.
- Answers some Frequently Asked Questions.

As previously outlined, Ten Ten have also provided an Online Parent Portal which will be a tool we can use throughout the year to keep you informed and updated about what is being taught in school.
