

EYFS Assessment at St Joseph's Catholic Primary

All assessment inform our planning, practice and provision.

Knowledge of each child, child development and our curriculum allows us respond in the moment to move learning forward.

We record assessment which are valuable to pinpoint how well a child is progressing.

We assess the starting points of each child in partnership with parents

> Minute by minute ongoing formative observational assessment (rarely recorded). These are an important part of our practice.

For children who are significantly below detailed assessments working with families and SENDCO
