# Bishop Chadwick Catholic Education Trust presents the 101 things we want our children to do before they reach 18

We pledge to provide opportunities for children to experience all 101 things during their time in our trust schools.

We recognise the importance of equality of opportunity and seek to remove the barriers faced by some of our children.

We promise that all 101 things will be accessible to our children, regardless of their backgrounds, because each child deserves opportunities to be the best version of themselves. The list is designed to build resilience, confidence, tolerance and cultural capital.

We have Christ at the Centre and Children at the Heart of all that we do.
