

# FOOTBALL ACADEMY

Calling all Year 4 and Year 5 pupils  
for 2026 and 2027 intakes

Our Elite Football Academies at St. Bede's Catholic School and Byron Sixth Form, Peterlee, and St. Joseph's Catholic Academy, Hebburn are for pupils from Year's 7 to 11. The programme is designed to emphasise academic and personal growth alongside each pupils' football development.

Fast Feet, our delivery partner, have an outstanding coaching team with a wealth of experience in player development. They deliver fun, engaging but structured, sessions before during and after school, and all pupils on in the programme will also have the opportunity to participate in a games programme which runs alongside our programme. Many of the coaching staff represent all three category 1 North East professional academies.

We offer six hours of high quality developmentally appropriate training per week (including strength & conditioning with our partners MN Elite). This programme, is ideal for young players already involved in grassroots football as it compliments perfectly alongside existing evening training and weekend games.
